Welcome to ESLP

WELCOME TO **ESLP 2022**

and joining this year's discussion:

Language, Space & Time perception

We are pleased to announce that the ESLP conference will be an "in-person event" on **August 28-29, 2022** at the **IMAGINARIUM** in Tourcoing, France.

ESLP 2022 and **ESCAP 2022** are joining forces to offer you the best of the cognitive and psychological sciences.

Come and discover the inspiring scientific contributions by attending both conferences with reduced hotel booking prices and free access to the international renowned Art Museums of Lille.

Schedule

Sunday, 28 Aug

8:00–9:20		Registration	
9:20–9:30		Opening speech	
		Coffee	
9:30–10:30	KL	Yann Coello University of Lille, France	The language of embodied spatial representations
10:30–10:50	CT	C. Grasso Aix-Marseille University, France	Embodied time: How the abstract concept of time arises from sensorimotor experience
10:50–11:10	CT	A. Malyshevskaya University of Potsdam, Germany	Interactions between time, number, and length: An RT priming study
11:10–12:15		Coffee, poster session	
12:15–12:35	CT	E. Muraki University of Calgary, Canada	Situated single-word processing: Are words ever really processed in isolation?
12:35–12:55	CT	A. Plesca Humboldt-Universität zu Berlin, Germany	The interplay of situation-formality register congruence and verb-argument relations
12:55–14:35		Lunch	
		Photo	
14:35–14:55	CT	F. Iani Università degli Studi di Torino, Italy	The role of sensorimotor simulation and engagement in spatial reasoning
14:55–15:15	CT	J. Bernotat Bielefeld University, Germany & Italian Institute of Technology, Italy	How prediction-driven is language processing? – Gender-stereotypical adverbs and non-sexist norms drive visual attention during language processing
15:15–16:15		Coffee, poster session	
16:15–17:15	KL	Jennifer T. Coull Aix-Marseille University, France	Motor scaffolding for perceiving time
17:15–18:00		Poster session	
18:00		Get together for the metro trip to Lille	
20:00		Conference Dinner (Resort Barrière Lille, 777 Pont de Flandres, Lille)

Follow us

Monday, 29 Aug

8:30–9:00	Coffee		
09:00–10:00	KL	Louise Connell Maynooth University, Ireland	A Tale of Two Representations: Linguistic Distributional and Sensorimotor Knowledge
10:00–10:20	CT	E. Kulkova University of Potsdam, Germany	The power of emotion: Grip-force study on literal and idiomatic emotional sentence processing
10:20–10:40	CT	H. Kreiner Ruppin Academic Centre, Israel	Inner Speech as Language Embodiment: Evidence from the Motor System
10:40–11:20	Coffee, poster session		
11:20–11:40	CT	A. Dymarska Lancaster University, UK	More is not necessarily better – how different aspects of sensorimotor experience affect word recognition memory
11:40–12:00	CT	O. Platonova University of Potsdam, Germany	Early stages of semantic processing elicit sensitivity to perceptual semantics: behavioral study
12:00–13:40	Lunch		
13:40–14:00	CT	R. Fargier University of Oslo, Norway	From positive to negative "craziness" and "rule": Changes in emotional valence of words across adulthood
14:00–14:20	CT	L. Nalborczyk Aix-Marseille Université, France	Motor inhibition prevents motor execution during imagined typing: evidence from an action-mode switching paradigm
14:20–14:50	Coffee, poster session		
14:50–15:10	CT	L. Speed Radboud University, Netherlands	The role of visual imagery in reading: evidence from aphasia
15:10–15:30	CT	S. Kalenine University of Lille, France	Increasing lexical engagement with motor-enhanced pictures: an online study using the Picture-Word interference paradigm
15:30–15:40	Closing remarks		
15:40–16:45	Visit the research platform at Plaine Images Tourcoing		
17:30	The opening ceremony of ESCOP at Grand Palais Lille		

Registration is OPENED!

Participants:

- Dato Abashidze from Germany
- Dr. Briony Banks from UK
- Mariam Bayram from France
- Mr. Francesco Belli from Germany
- Dr. Jasmin Bernotat from Italy
- Dr. Véronique Boulenger from France
- Anaïs Cauna from France
- Ms. Jiaxuan Chen from UK
- Pr. Yann Coello from France
- Pr. Louise Connell from Ireland
- Pr. Jennifer Coull from France
- Dr. Agata Dymarska from UK
- Dr. Raphaël Fargier from Norway
- Pr. Martin Fischer from Germany
- Dr. Claudia Gianelli from Italy
- Dr. Camille Grasso from France
- Dr. Francesco Iani from Italy
- Dr. Adil Ishag from Germany
- Dr. Solène Kalénine from France
- Dr. Gunjan Khera from UAE
- Pr. Pia Knoeflerle from Germany
